

INT. MALONE HEADQUARTERS MEETING ROOM - DAY

Tommy and Rita sit across from several important Department of Defense government officials.

TOMMY

I hope the trip from Washington was smooth.

One of the generals nods towards Tommy.

TOMMY

We're very excited to share our progress.

RITA

Nexxus is ahead of schedule. In fact we have a fully operational prototype to share with you. Today.

TOMMY

And...we're ready to talk about moving on to phase two of the contract.

GENERAL

This is great news. The Department of Defense is very interested in Nexxus.

INT. MALONE HEADQUARTERS HALLWAY - DAY

Tommy, Rita and the government officials walk down the hall together.

GENERAL

We're excited to see this.

TOMMY

You won't be disappointed.

INT. MALONE LABS - DAY

Rita continues to mash away on the control unit while Tommy and the officials look on.
